

University Departments, Centres, Institutions, Conducted Colleges

There are 39 post graduate departments, 13 institutions (including colleges), 4 Centres through which the university provides academic inputs. These are established on 3 campuses (Churchgate, Juhu and Pune) and one Model College in Shreewardhan Taluka.

Eight departments work from two campuses. They are Marathi, Hindi, Music, Art & Painting, Economics, Psychology, Commerce, and Education. There are three colleges which work from two campuses viz. Arts and Commerce College, Home Science College and College of Education.

University also has seven Recognised institutes for Ph. D. level research. They provide guidance to Ph. D. students under the Faculty of Management Studies.

This section provides information on all the post graduate departments and institutions as well as centres. The departments are arranged alphabetically under each Faculty. In later pages colleges are presented alphabetically.

Tech.) <ol style="list-style-type: none"> Computer Science & Technology Electronics and Communication Ph. D.
Institute Activities	<ol style="list-style-type: none"> UMIT organised 10 workshops for students which are presented in Table 1 Two students received G.E Scholarship of Rs. 1.1 lakh per student per year Six students passed GATE examination Under Placement activity 7 organisations visited UMIT. Out of 236 students who appeared for campus interview, 88 students got selected.

University Departments, Centres, Institutions, Conducted Colleges

Institute Activities	5. UMIT organised Greenfoot Technology for Faculty. Fifteen teachers participated. March 8-9, 2015
Activities of Student Council and Subject Association	<p>1. Teacher's Day</p> <p>On September 5, 2014, the Student Council took the centre stage in doing the same. In order to show our gratitude to our esteemed teachers, on the behalf of all the students of the college, the Council spread cheer by distributing cards made by the students to every member of the teaching and non-teaching faculty in the college. Furthermore, a fun event was organised with the teachers granting students some words of wisdom and the students adding the colour to the event with their vibrant dance performances!</p> <p>2. Engineers Day</p> <p>September 15th is also the birth date of Sir Visvesvaraya, who was a great Indian scientist and something of a pioneer of engineering in India. So we took the opportunity to celebrate two occasions in a single day! Ours being an engineering college, it was a matter of pride for us to celebrate Engineer's Day. Knowing the great achievements of Indian geniuses throughout history and realising the potential of hard work and dedication through the tales of these geniuses inspired one and all present there.</p> <p>3. Garba Noon</p> <p>The student of UMIT tuned into the spirit of the vibrant festival of Garba as a colourful 'Garba Noon' was arranged for the students to step on the floor and dance to the beats of the Garba music. The event stretched way past deadline as the people, with their sparkling attires brightening the place, refused to stop their feet from tapping!</p> <p>4. Arcane Illusions 2K15</p> <p>'Unity is teamwork. When there is teamwork and collaboration, wonderful things can be achieved'.</p> <p>Now on to the main event! The Student Council is known for organising an assortment of activities all year-round but most of all it is known for hosting the biggest cultural event of UMIT—Arcane Illusions. This regal event goes on for two days and encompasses all the fun and frolic possible!</p> <p>This year, the theme chosen was 'Halloween Soiree'. Arcane propagates the fact that every student has a talent in them and that talent deserves a stage. Keeping these two facts in mind, we came up with the rather apt tagline 'Scare your fears away'. Truly, the fest lived up to the ideals we based it on.</p> <p>Students from all across the city flocked in to be a part of this event and to tune into the Halloween spirit! The well decorated pandal which was overwhelmed with creative Halloween-style decor was a major 'Selfie-Zone' for all our visitors! The students had their fun in being a part of every event—be it singing, dancing or theatre—either as a participant or as the motivating audience.</p>

University Departments, Centres, Institutions, Conducted Colleges

Activities of Student Council and Subject Association

5. Personality Development Workshop :

by Mr Shekhar Kunte was organized on 16th September, 2014. Attendees received several tips on how to improve one's personality and how to communicate through appropriate body language.

The highlight of the fest however, was Fashion Show. With big names from the world of fashion coming in and the supremely creative participants flaunting their skills, the fashion show was a major crowd puller and worth every bit of the hype!

6. Joy of Giving:

E-Cell believes in giving back to the society and hence during the Joy of Giving week i.e. October 2-8, 2014, E-Cell requested all students to donate any items that could be of some help to the less privileged people. These items (like unused notebooks, toys, clothes) were then donated to ASHRAY a shelter home for children under the Committed Communities Development Trust.

7. Industrial Visit:

E-cell organized a 3-days and 2-nights Industrial Visit to Silvaasa from December 18-20, 2014. Three eminent industries like KRYFFS, POWERICA and VOLTAS were visited.

Table 1 Workshops organised for the students

Sr. No.	Title of the workshop	Date	Number of students participated
1.	Software Testing and Quality Assurance	April 1, 2015	75
2.	Innovation Through TRIZ	April 1, 2015	75
3.	Data Structures and OOPS	October 25, 2014	75
4.	Java Foundation	September 10, 2014	150
5.	DBMS Concepts	September 8, 2014	150
6.	Operating System Advanced	August 25, 2014	150
