

## Activities organised by Post Graduate, Department of Commerce, Churchgate

### 1. Workshop on Research Methodology

The Post Graduate, Department of Commerce organises Research Methodology workshop to increase the knowledge of students on research and the various aspects related to research like how to select a research topic, how to write research proposal, how to write a research report, data analysis and interpretation etc. The research methodology workshop was organized on 03 – 03 – 2015, 5 – 10 – 2017, 15 – 10 – 2018 and 15 – 02 – 2019. The eminent personalities who imparted knowledge to the students were Dr. Ram Sable Former Dean and Professor PG Department of Commerce SNDT Women’s University, Dr. Minu Madlani Princiapl, K.P.B. Hinduja College and Dr. G. Y. Shitole Principal SNDT Arts & Commerce College for Women, Pune.

## 2. Research Paper Contest

Research Paper Contest was organized for the M. Com students on the theme of Commerce and Management on 1 – 10 – 2015. Students from various SNDT University affiliated colleges participated in this event and 20 groups presented their research paper in the contest.

## 3. NET/SET Workshop

Most of the individuals aspire to go in the teaching field and they feel they need for guidance therefore Department of Commerce organizes three-day NET/SET workshop for the benefits of the students. The workshop introduces the syllabus and pattern of NET/SET Exam in detail and guidance is given to the students on every module of the syllabus and how to go about with their preparation. Many students have been benefitted by this workshop and also got qualified in it. The workshop was held in October 2015 and February 2018. Even during the COVID – 19 pandemic the department organised a national workshop on NET in Commerce through online mode of Google Meet in February 2021.

#### 4. Felicitation M.Phil. & Ph.D. Student

To encourage, praise and acknowledge and applaud the achievements of the students who excelled in academics a felicitation programme was organised by Department of Commerce for the M.Phil. & Ph.D. students. This event was organised on 03 – 03 – 2015.

## 5. Parents Teacher Meet

Learning is a complex phenomenon. A child faces difficulties in learning. Child faces mental stress and several identified and unidentified challenges. Holistic development of a child depends upon the hard work of student, parent and teacher. These three stake holders integrated effort give the best learning outcomes. Parent teacher meeting covers the distance among three stakeholders. Parent teacher meeting is an opportunity to exchange observation of a child with each other and allows the **parents** and **teachers** to openly discuss what's happening at college and at home. Therefore Department of Commerce organised a parent's teacher meet which helped all the three stakeholders.

## 6. Alumni Meet

The Department of Commerce organized alumni meet on 06 – 08 – 2019 for the purpose of bringing together all the old students of the department to share their experiences with each other, for maintaining and updating the data base of all the alumni of the department and to interact with them, for utilizing the rich experiences of old students of the department for the benefit and progress of the present students, for providing guidance to the present students in their endeavour for better employment and higher studies, for promoting the campus placements through the old students working in reputed industries in India and abroad and also to get the valuable advices of the Alumni in the overall development of the department.

## 7. Industrial Visit

Industrial visits provide the students with an opportunity to learn practically through interaction, working methods and employment practices. It gives the students an exposure to current work practices as opposed to theoretical knowledge being taught at their college classrooms. Industrial visits grant the students a great opportunity to interact with industries and know more about industrial environment. The Department of Commerce organised industrial visit to Bombay Stock Exchange and Yusuf Meherali Center on 16 – 12 – 2014 and 16 – 10 – 2019.

Bombay Stock Exchange

Yusuf Meherali Center

## 8. Seminar on Career in Financial Planning and Wealth Management

A one-day seminar was organized in February 2018 by the Department of Commerce for the purpose of creating a sense of knowledge amongst the students and make them understand the concept of financial planning. Mr. Shashank Kumar from the International College of Financial Planning addressed the students and explained them that financial planning is the process of taking a comprehensive look at your financial situation and building a specific financial plan to reach your goals. As a result, financial planning often delves into multiple areas of finance, including investing, taxes, savings, retirement,

your estate, insurance and more. Later he also discussed about career opportunities in financial planning and created awareness amongst the students about the various methods of wealth management.

## 9. Preparation of Competitive Examination

In this competitive world the students have to face a lot of competition and with the help of guidance the students can fight the competition and shine in their future careers. The Department of Commerce organised a one – day seminar on preparation of competitive exams which focused on Banking exam, MPSC and UPSC exam on 20 – 02 – 2018. The department also organised a Five – Day Workshop on Preparation of Competitive Examination from 04 – 02 – 2020 to 8 – 02 – 2020 which focused on overview of competitive exam, civil services (MPSC/UPSC), numerical aptitude, logical reasoning, English grammar & comprehension, NET/SET, general studies and awareness, communication skills & interviews, CAT/XAT/IIFT/NMAT/SNAP and written test. And a Three – Month Training Programme for Preparation of NET/SET and UPSC/MPSC through online platform of Google Meet from 05 – 03 – 2022 to 01 – 05 – 2022.

## 10. Workshop on How to Write a Good Research Proposal

The research proposal gives the researcher a chance to explain the significance of the research to the institutions who would wish to support it. Ideally, it will demonstrate the quality and importance of the research as well as the ability of the researcher to conduct the proposed research. It is necessary for the students of M. Com and Ph.D. to have the knowledge of how to write a good research proposal therefore this workshop was organised by the Department of Commerce on 13 – 08 – 2015.

## 11. Seminar on Career Opportunities in Banking Sector

The Banking industry is one of the very important sectors in Indian Financial management. The production of the banking sector makes help in the economic and financial growth of India. Banking has become a very appealing activity and therefore it attracts a lot of individuals from commerce field therefore the Department of Commerce organised this seminar to make the students understand the available opportunities in the banking sector. This seminar was organised on 06 – 08 – 2019 and the resource person was Ms. Kitali Rathod of IFBI (Institute of Finance Banking & Insurance).

### Panel Round Interview for Placement in ICICI Bank

With the seminar on career opportunities Ms. Kitali Rathod took a aptitude test as a 1<sup>st</sup> round of panel interview for the placement in ICICI Bank. The result of the test was to be announced on the next day. It was a great opportunity for the students to get a placement in ICICI Bank.

## 12. Seminar on Fund Based and Non-Fund Base Financial Services

The seminar on fund based and non-fund base financial services was organised by Department of Commerce on 24 – 01 – 2019 for the purpose of emphasizing on the importance and types of fund based and non-fund based financial services provided by the banks. The resource person Mrs. Jayeshree Shingade introduced the concepts like working capital finance, consumer finance, reverse mortgage, merchant banking, cash management services, venture capital finance safe deposit lockers etc.

## 13. Seminar on Invest to Create Wealth – Start Early

This seminar was organised by Department of Commerce on 30 – 01 – 2019 keeping into mind the need for wealth creation in today's world. Basically, to accumulate wealth over time, you need to do just three things: (1) Make money, (2) save money, and (3) invest money. The seminar helped the students to gain a lot of confidence in saving and investing in Mutual Funds.

## 14. Investment Awareness Programme

The Department of Commerce organised an investment awareness programme for the benefit of the students on 18 – 06 – 2021 through online mode of Google Meet. This awareness programme enabled the students to know about various policies and schemes which are available in the market. Thus, the programme was conceived to educate the prospective investor so that he or she understands the benefit of saving, investment and capital formation or accumulation.

## 15. Career Awareness Programme

The Department of Commerce organised a career awareness programme for the benefit of the students on 02 – 02 – 2022 through online mode of Google Meet. Being commerce students, the need aroused to create awareness amongst the students about career opportunities in finance and stock market.

## 16. National E – Conference on COVID – 19 and Indian Economy

The Department of Commerce organised a two-day national E – conference in September 2020 during the pandemic situation. The two days conference brought together academicians, research scholars and experts who shared their expertise in the field of Indian Economy and COVID 19 which was the theme of the conference. The main purpose of the conference was to foster discussions and strengthen the connection between the experts and learners. The conference tried to create a virtual relation between the participants and the experts due to the lockdown which has occurred in the outbreak of coronavirus. The two days programme comprised of expert's lecture and research paper presentation. The resource persons of the technical sessions selected 3 best paper and their names were announced on the last day. The research papers which are free from plagiarism to a permissible limit was published in an international journal with the impact factor of more than 7.
