

Dr. Pratima Tatke

Principal
Professor of Pharmaceutical Chemistry
C.U. Shah College of Pharmacy

cushahpharmacy@sndt.ac.in

pratima.tatke@cushahpharmacy.sndt.ac.in

Subjects taught/ presently teaching:

- Pharmaceutical Chemistry
- Biotechnology
- Pharmaceutical Analysis
- Biochemistry

Areas of Research Interest:

- Phytochemistry
- HPLC/HPTLC method development and Validation for phytomarkers
- Standardization of Herbal Products,
- Bioactivity guided fractionation and isolation of Phytomarkers
- Phytopharmacology

Publications:

- Chapters contributed in Books- 02
- Papers published-48 (Annexure I)
- Research Articles International: 29, National: 16
- Review Articles: International: 02, National: 01

Whether Guide at PhD/M. Phil Universities for which registered as guide:

Registered PhD Guide at

- **SNDT Women's University**
- Vinayaka Mission University

Patents filed:

- Indian patents: Granted - 02, Filed - 02
- International Patents: Filed - 01, PCT filing- 02

Annexure I

BOOKS PUBLISHED:

- ❖ Contributed a CHAPTER entitled "Extraction, isolation, characterization of phytopharmaceuticals" co-authored by Dr. Lal Hingorani in the book on **"Phytopharmaceuticals"**.

The details of the book and publisher are as given below:

Date of Book Release : November 2014

Editor : Dr. Mrs. Nilima A. Kshirsagar, National Chair Clinical Pharmacology,

ICMR Govt. of India, Dean, ESI-PGIMSIR Govt. of India, MGM Hospital, Dr.S.S. Rao Road, Parel, Mumbai-400 012, India

Co-Editor : Dr.Priyanka Jadhav, Ph.D.(Pharmaceutical Medicine), Gainesville, Florida, USA.

- ❖ Contributed a CHAPTER entitled "Characterization of betaine from Seeds" co-authored by Ms. Priti Patil in the book on **"Betaine: Chemistry, Analysis, Function and Effects"**. This book is one from the series of books titled, Food and Nutritional Components in Focus.

The names of editor and publishers are as given below:

Editor : Prof. Dr. Victor Preedy, King's College of London, London, UK.

Publishers : RSC Publishing, Royal Society of Chemistry, Thomas Graham House, Science Park, Milton Road, Cambridge CB4 0WF, United Kingdom

PAPERS PUBLISHED:

Total: 48

Research Articles: International - 29, National - 16

Review Articles: International - 02, National - 01

➤ Awards

International awards: (10)

1. Received Second prize at South Asian Chapter of American College of Clinical Pharmacology for paper entitled "Wound healing activity of calcium mupirocin creams by excision and incision wound model" in August 2011.
2. Received Second prize at South Asian Chapter of American College of Clinical Pharmacology for paper entitled " Isolation of Gmelinol from *Gmelina arborea*" in August 2011.
3. Received Second prize at South Asian Chapter of American College of Clinical Pharmacology for paper entitled "Quality check for spontaneous reports of different countries" in August 2011.
4. Received first prize at Nutrition society of India-2010, Mumbai-November 2010 "Effect of garlic-capsicum combination on sodium nitrite induced oxidation of haemoglobin" in November 2010.
5. Received Second prize at South Asian Chapter of American College of Clinical Pharmacology for paper entitled "Development of a programme for Adverse drug reaction monitoring in psychiatry" in December 2010.
6. Received '**Talented Scientist Award**' at the 'International seminar on **Medicinal Plants and Herbal Products**' held in Tirupati, A.P., from March 7th-9th 2008. This award was given as recognition of her outstanding contribution in the field of Medicinal Plants and Herbal Products at International level on the recommendations made by the Scientific and Adjudication Committee.
7. An International award of Excellence in the field of Pharmaceutical Sciences was given at the "International Conference on Ayurveda and Holistic Healing" held in Penang, Malaysia from Jan 19-20, 2008.
8. The oral presentation entitled, 'Quality control of marketed formulations of Drakshasava by HPTLC using a chemical marker' received SECOND prize with Silver medal at "International Conference on Ayurveda and Holistic Healing" held in Penang, Malaysia from Jan 19-20, 2008.
9. Research work on "Marker Based Standardization of Commercial Formulations of *Shankhapushpi* Syrup Using HPTLC" received FIRST prize at International Conference on Contemporary Issues and

Future Challenges in Drug Development, held in Mumbai, from Oct 5th-7th, 2007

10. Research work on **"Neem oil-Standardization and Evaluation of Water miscible Emulgel"** received SECOND prize at International Conference on **"Neem-2002" at Mumbai in Nov, 2002.**

National Awards: (09)

1. Research work on **"A novel phytoliposomal formulation for a ployherbal mix containing curcumin"** awarded 1st prize at *Avishkar 2011-2012, VI (State level Inter-University Research Convention)* held at Kolhapur, on 13-15h, January 2012
2. Received Dr. (Mrs.) Manjusree Pal Memorial Award for BEST PHARMACEUTICAL SCIENTIST 2011 for her for outstanding contribution to the profession of pharmacy, teaching, research and industrial collaborations.
3. Received Bharat Shiksha Ratan Award for for her for contribution to the profession of teaching and research in Pharmaceutical Sciences.
4. Research paper entitled **"An anti diabetic herbal tablet formulation containing bioactive extract from waste product of Cashew"** selected for national level presentation in India Innovation Initiative – i3 2011.
5. Received certificate of appreciation **for paper entitled" Marker based standardization of commercial formulations and extracts containing beta-sitosterol-D-GLOCOSIDE using HPTLC by P.D. Sethi Annual Award-2010.**
6. **Received second prize at "ANVESHAN-2009- ZONAL Research Festival", held at Bhopal, on 27-29th , January 2009 for the project entitled, "Isolation And Chemical Characterization Of Catechin – A Potential Biomarker With Antioxidant Activity " and was selected as one of the best projects.**
7. **Received second prize at the "ANVESHAN-2009 – 2nd National Level Research Convention", held by Association of Indian Universities – AIU, at Calcutta, on 23-25th , February 2009 entitled as, "Isolation And Chemical Characterization Of Catechin – A Potential Biomarker With Antioxidant Activity".**
8. Research work on **"Development and Evaluation of Female Herbal Contraceptive"** and on **"Anti HIV activity of some Indian medicinal plants"** jointly awarded 1st prize at *Avishkar (State level Inter-University research competition)* held at S.N.D.T .Women's University on 9th-12th January, 2008.

9. Merit fellowship for M. Pharm.

10. Was placed Third on Merit in S.N.D.T. **Women's University** in the B. Pharm Examination.
