General Note: Full time teachers working in the University departments/Institutions following 5 days a week will get 5 days of Earned Leave. The Earned Leave should be utilized by the concerned teachers during the same academic year and that the unutilised Earned Leave should not be carried forward or accumulated in the Leave Account. Earned Leave may be availed with prior permission of the concerned H.O.D. / Vice-Chancellor, as the case may be. The HOD's will take permission from the Vice-Chancellor for Leave. No Earned leave can be availed during Admission time and Examination time.

Note for UMIT Teachers:

"The vacations for all teachers should be adjusted or rescheduled based on requirements of the Institute for official works/ Examination work. etc. This is required for following reasons:

1. As the first semester of the first year begins very late, so it is necessary to change the vacation plan accordingly. However it cannot be clubbed with teachers with higher semesters.
2. There should be some teachers present in the Institute throughout the year for some emergency works as may be needed from either University/DTE or AICTE (which happens in almost all Engineering colleges)
3. Also when Principal has to go out of station some faculty is required at the Institute, in such cases there should be flexibility in rescheduling the vacations.
4. Total vacation shall not exceed 70 days and shall not be availed when academic session is going on.
