REVOLUTIONIZING EARLY CHILDHOOD EDUCATION IN INDIA

SEPTEMBER 16 - 17, 2017

09:00 AM - 05:30 PM

ABOUT S.N.D.T WOMEN'S UNIVERSITY

Shrimati Nathibai Damodar Thackersey (SNDT) Women's University is the first women's university in South-East Asia. The university was founded by Maharshi Dr. Dhondo Keshav Karve in 1916 for the noble cause of women's education. The first five women to graduate from this university was in 1921. This university completed 101 glorious years in 2017. The university operates from three campuses: Churchgate (Headquarters), Juhu & Pune.

The university offers 250 programmes ranging from Undergraduate to Ph.D as well as Diploma and Post graduate Diploma programmes through 15 faculties. It has 39 department and 174 affiliated colleges.

SESSION DETAILS

Language Learning and Technology in the Classroom

A good story telling expands horizons in various fields. Utilization of the available technology in the same will help us to make story telling easier and more attractive.

Revolution in Classroom Interior

Making the interior space of preschool classroom more attractive and full of opportunities for learning and exploring has recently gained focus in the field of early childhood.

Revolution in Technology

Technology nowadays plays an important part in every classroom however like any other thing it has its own disadvantages.

Franchise in Preschool Sector

Maintaining and managing quality standards in any preschool franchise or stand-alone schools is considered most important aspect as quality of school determines the quality of education it provides.

Revolution in ECE Education and Policy

ECE as a part of education and policies regarding ECE are changing remarkably with advancing knowledge, experience and experts in the field.

Innovations in Education

Inclusion of drama and music in preschools has shown remarkable results in the overall development of children. Music and drama provide children in abundance, opportunities for creativity and self-expression.
