# MEGA SHOWCASE OF INNOVATION & TALENT

SNDT Women's University proudly presents- Innovation Mahakumbha- an exhibition of student-led innovative projects from across its departments, conducted and affiliated institutions. This initiative attempts to provide a unique platform to all its stakeholders for creativity, entrepreneurship, grassroots innovation, and academic-industry collaboration in alignment with the vision of a self-reliant India and the objectives of the PM-USHA Scheme.

Over 200 faculty from the University and its affiliated colleges received specialized training in innovation, Entrepreneurship, and Agentic AI through the Wadhwani Foundation. This equipped them with advanced skills to drive ideation, problem-solving, and product development. Guided by these trained faculty, students have built technology-driven prototypes and sustainable solutions. Their entrepreneurial ventures address real-world challenges in healthcare, education, agriculture, energy, digital inclusion, and women's empowerment.

**University Vision: SNDT Women's University's commitment to innovation, entrepreneurship, and societal transformation**

**Collaboration: Fostering partnerships, commercialization, and scaling opportunities**

**Impact: Solutions across diverse sectors driving real-world change**

**Beyond Exhibits: Live demos, startup pitches, expert talks, panel discussions, and networking zones**

# ABOUT

## PURPOSE

Student innovation,  
entrepreneurship &  
industry collaboration

## FEATURES

Live demos, startup  
pitches, expert talks,  
networking

## PROJECTS

200+ projects in healthcare,  
education, agriculture, energy,  
inclusion & women's empowerment

## IMPACT

Real-world solutions,  
scaling ideas, creative  
ecosystem

PUBLICATION  
AND  
POTENTIAL  
PATENTS

200+  
INNOVATIVE  
IDEAS  
SHOWCASED

INCUBATION  
OPPORTUNITIES  
FOR TOP  
PROJECTS

## FOCUS AREAS

1 EDUCATION

2 AGRICULTURE

3 ENERGY

4 DIGITAL  
INCLUSION

5 WOMEN'S  
EMPOWERMENT

*Innovation Mahakumbha  
emphasizes capacity-  
building and mentorship  
fostering excellence*

# HIGHLIGHTS

- Students showcase projects in innovation stalls
- Experts assess projects and give feedback
- Startup and Funding explore opportunities
- Entrepreneurs and investors conduct talks and workshops
- Networking zones help scollaborators connect with each other
- Award ceremony recognising best projects
- 500+ projects curated by 200+ mentors.
- 5,000+ visitors including industry experts, funders, parents, and stakeholders

# PRE ACTIVITIES

## **TEACHER & STUDENT ENGAGEMENT STRATEGIES**

200 FDP Trainings aim to expand reach from 50–60 colleges to more colleges, which train teachers to be ambassadors.

Class Representatives (CRs) act as student ambassadors to form groups and collect student email IDs for Wadhvani Foundation platform access.

## **BOOTCAMPS FOR INNOVATIVE LEARNING**

Class Representatives (CRs) act as student ambassadors to form groups and collect student email IDs for Wadhvani Foundation platform access.

## **UNIT & NSS SPECIAL FORCE INITIATIVE**

Over 10,000 participants will explore innovative projects.

Special Bootcamps are planned to focus on Agentic AI + NSS students & teachers, Linking with Sustainable Development Goals (SDGs) is crucial.

# FLAGSHIP SHOWCASES

- Mental Health AI – solutions for emotional well-being
- Pharmacopeia AI – advancements in medicine and healthcare
- Spiritual AI – tools for personal growth and mindfulness
  - These showcases highlight innovative applications that solve real-world problems using advanced technology.
  - They aim to inspire research, creativity, and practical solutions.

## STUDENT INTEGRATION

- Over 10,000 students and teachers will participate by visiting various departments.
- They will learn how to apply academic subjects to create Agentic AI-based projects.
- This hands-on approach helps students develop skills in technology, problem-solving, and collaboration.
- The initiative fosters an environment where learning meets innovation.

## **PROBLEM STATEMENT AND MENTORSHIP**

*Students explore  
new ideas and  
solutions*

Problems will  
be collected  
from experts,  
industries,  
teachers, and  
the public  
using Google  
Forms

*Year-round access  
for experts,  
mentors, and  
investors*

*Experts Mentor and  
support students as  
they work on their  
projects*

Global  
collaboration  
through  
interactive  
stalls and  
mentorship.

## **365-Day Virtual Exhibition**

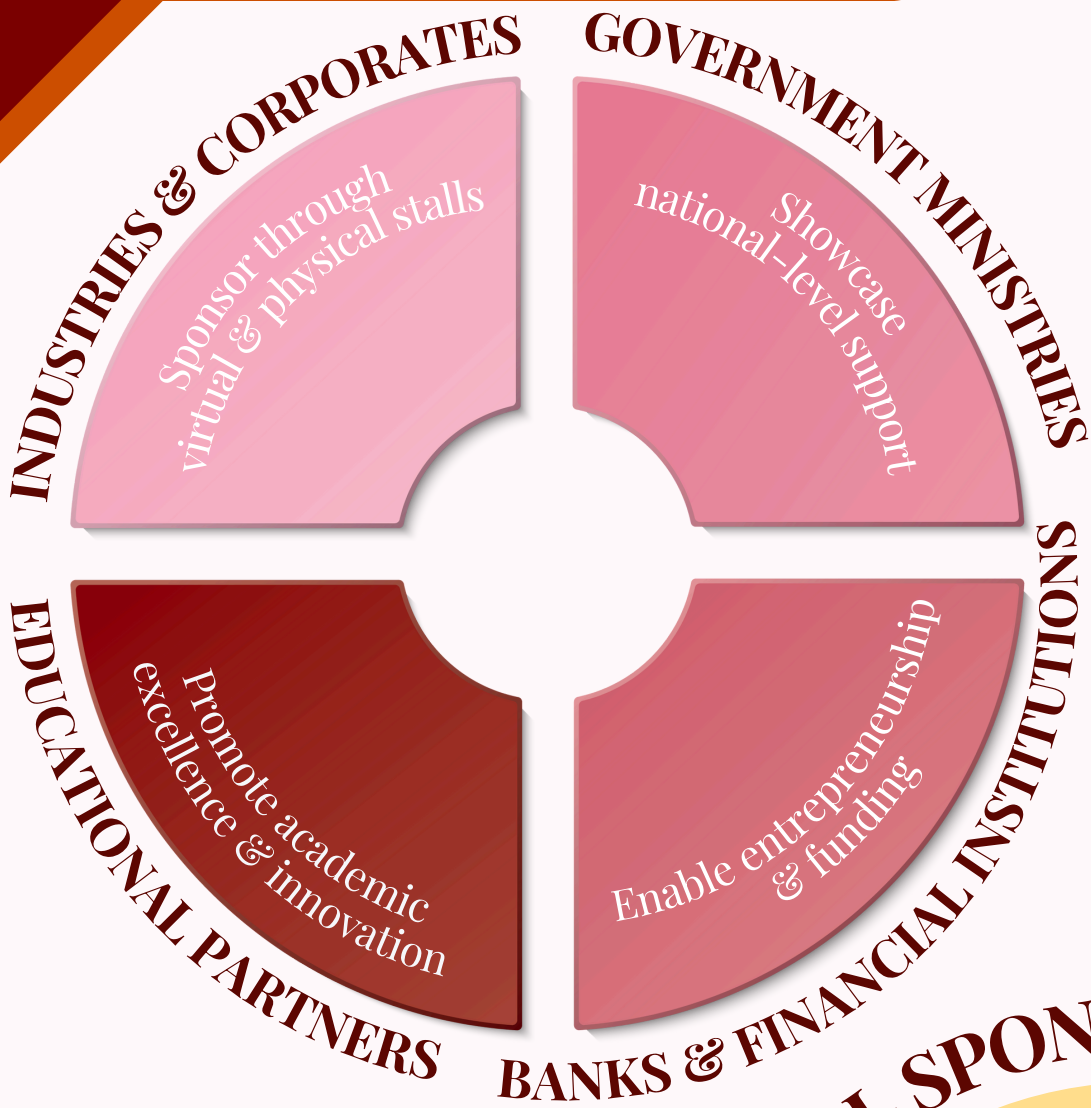

*Continuous  
support to  
develop ideas  
and projects.*

*“An Enlightened Woman is a Source of Infinite Strength”*

# Sponsorship

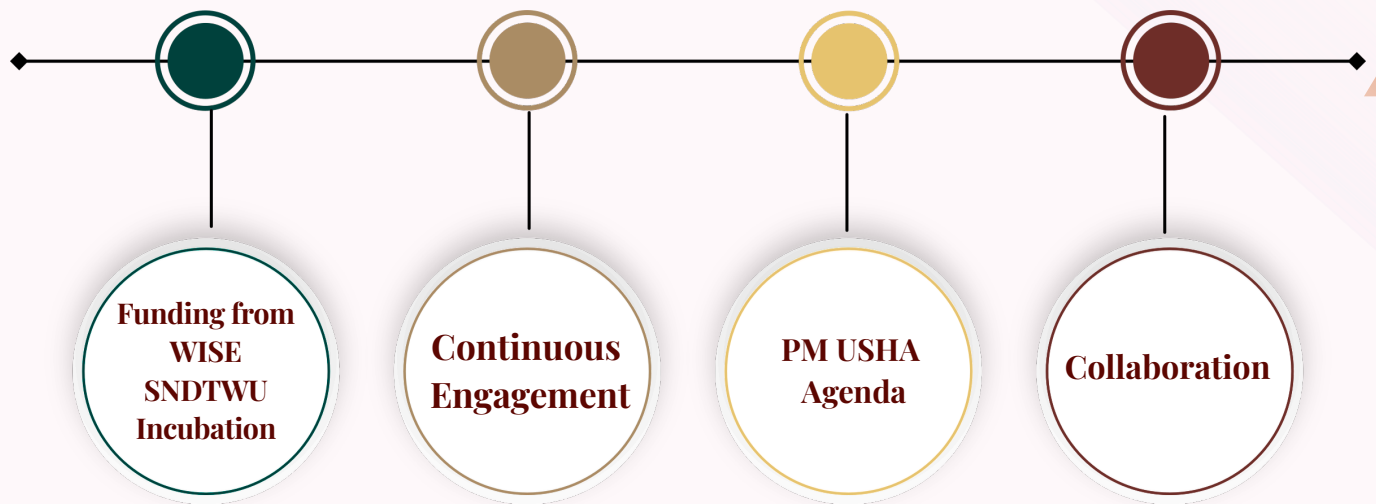

## & Partnerships

### POTENTIAL SPONSORS:

# Ecosystem Development

Innovation Mahakumbha 2025 is designed to leave a lasting impact on the innovation landscape of India. The event is expected to achieve:

- 10,000+ innovative ideas generated by students and researchers
- Strengthened industry-academia-government collaboration
- Increased opportunities for funding, incubation, and patenting (IPR)
- Research aligned with the PM-USHA Agenda and national innovation policies
- Startups supported by the WISE SNDTWU Incubation Centre, nurtured into registered companies

This event is not just an exhibition; it is the beginning of a continuous journey towards entrepreneurship, self-reliance, and global recognition for women innovators.
