Hello,

We would like to thank you for your continued support to JP Morgan Chase & Co.

As you may know, the selection process is extremely competitive. We were fortunate to evaluate a talented pool of candidates this year and the below student(s) truly stood out as exceptional. We were very impressed by their talent, performance and qualifications. Based on their performance during the Code for Good event, I am delighted to let you know that they will soon receive a written offer to join the Firm for the **Software Engineer Program Class of 2023**.

In this position, they will have the opportunity to work with a talented, collaborative team who is committed to doing the best for their clients. They will be joining a firm that is committed to the continued growth of its employees through robust training and development programs. We look forward to their continued leadership and drive if they successfully complete the preemployment screening and decide to join the Firm.
