7.3.1: Portray the performances of the institution in one area distinctive to its priority and thrust within 1000 words

True its motto of 'Sanskrita Stree Para Shakti', SNDTWU is committed to empower every sphere of not only women education but also strengthening overall well-being.

Admission process: The admission process of SNDTWU is online, making it accessible and transparent. The admissions are done through <https://sndt.digitaluniversity.ac> and <https://sndtadm.samarth.edu.in>. Admissions are carried out as per government regulations and payment of fees is also done entirely online through Unisuite software.

Nationwide presence: The university, is continually expanding, in order to fulfil its vision, which is reflected in continuously increasing number of affiliated colleges in last five years, which has increased from 189 to 261, marking presence in states like Bihar, Madhya Pradesh, Uttar Pradesh and Assam. <https://www.sndt.ac.in/academics/affiliated-colleges>

Education from KG to PhD: A distinctive feature of the university is to provide education from nursery to PhD. The Post Graduate Department of Human Development has an experimental Nursery school, which provides hands-on training to their students pursuing masters in early childhood education. The university also provides skill based B.Voc courses through its polytechnic. <https://www.sndt.ac.in/index.php/academics/conducted-colleges/pvp/courses>

Laboratory nursery school: <https://www.sndt.ac.in/index.php/facilities/nursery>

List of PhD centres in Churchgate campus: <https://www.sndt.ac.in/index.php/programmes/phd/list-of-phd-centre-in-churchgate-campus>

List of PhD centres in Juhu campus: <https://www.sndt.ac.in/index.php/programmes/phd/list-of-phd-centre-in-juhu-campus>

School for children with special needs: Department of Special Education has an experimental school, 'Arushi- The Learning Centre' for children with special needs, where their students get an opportunity of transferring theory to practice. <https://www.sndt.ac.in/index.php/specialeducation>

RUSA e-learning centre: The SNDT Women's University has initiated activities in the field of Open Education Resources (OER) since last 10+ years. Department of Educational Technology of SNDT Women's University is a unique department which specializes in Instructional Design, eContent development and eLearning. <https://www.sndt.ac.in/index.php/det/eLearning-centre>

University has taken a lead in implementing NEP 2020, by adapting a new syllabi design across programs but also sensitizing the stakeholders and

other universities. The unique features of NEP 2020 implemented at the university include

- i. **Women Innovation Startup Entrepreneurship incubation centre (WISE):** WISE at SNTD Women's University is a section 8 company and was established with the goal of providing women entrepreneurs with a platform to innovate and become a powerful positive force in the growth of the economy of the nation. <https://www.wisesndtwu.org/>
