Agenda Item No.29

To consider the proposal for introduction of Internship and Research at Post Graduate Degree Courses.

Information/Discussion:

Members discussed the proposal for introduction of Internship and Research at the Post Graduate Degree Courses and opined that, the Internship Programme and Research be made compulsory for all the professional courses. Most technology oriented courses need Internship. The House suggested that, the Internship programme with objectives, activities, evaluation strategies, mentoring etc. be prepared by each Department.

Members also discussed the Research Methodology introduced at various Post Graduate Degree programmes. Introduction of small scale research study will give students confidence to explore new fields in their professional life, develop skills of research and motivate them to take up M.Phil/ Ph.D. studies.

The House informed the members that, some courses like Master of Visual Arts, Bachelor of Education, Master of Social Work, Pharmacy etc. already have Internship Programmes.

The House authorised the Director, Board of College and University Development to constitute a Committee for introduction of Internship and Research at Post Graduate Degree Courses and that, the Committee be requested to take into consideration the suggestions to be received from the members of the Academic Council, while framing the modalities for Internship and Research.

RESOLUTIONS:

1. **RESOLVED** that, the proposal for introduction of Internship and Research at Post Graduate Degree Courses be approved in principle.
2. **RESOLVED** further that, the Director, Board of College and University Development be authorized to constitute a committee to work out the modalities of introduction of Internship and Research at Post Graduate Degree Courses and that, the Committee be requested to take into consideration the suggestions to be received from the members of the Academic Council, while framing the modalities for Internship and Research.
