SNDT WOMEN'S UNIVERSITY

SNDT Women's University is the First Women's University in India as well as in South-East Asia. The University was founded by Bharatratna Maharshi Dr Dondho Keshav Karve in 1916 for a noble cause of Women's Education. The first five women graduated in 1921 from this university. The university headquarter is located at Churchgate Campus, Mumbai and the other two campuses of this University are at Juhu, Mumbai and Karve Road, Pune.

PVDT COLLEGE OF EDUCATION FOR WOMEN

PVDT College of Education for Women' started as a department in SNDT Arts College, Mumbai in 1951. In 1959 it was converted into a full fledge college with Marathi and Gujarati medium B.Ed. classes. Since then the college has been actively engaged in teacher training programs. It has been preparing women educators for over six decades. Our college is conducted college of SNDT Women's University. It is aided college with qualified and learned faculty.

SNDTWU-CHETNA

The Centre for Holistic Education, Training and Novel Advancements (SNDTWU-CHETNA) is a center established by SNDTWU to develop and create a pool of need-based, Value-based, skill-based capacity-building add-on courses in collaboration with local, national, and international institutions. It will provide courses and programs to build character through human and constitutional values and also, develop life skills, employability skills, and 21st-century skills that are required for the betterment of the society, environment and the whole ecosystem. The center aims to provide an environment to enhance the creativity of students by providing novel and unusual programs. To achieve this aim center creates a pool of add-on competency-building courses to reach the maximum number of students of the university and beyond the university through local, national, and international level collaboration.

ABOUT COURSE

The 21st century is the century of knowledge society with the feature of a global, private, liberal, and more complex world. Education will be vital to individual, social and national development in the 21st century. According to NEP 2020, one of the objectives of Curriculum and Pedagogy in Schools is "to minimize rote learning and instead encourage holistic development and 21st-century skills such as critical thinking, creativity, scientific temper, communication, collaboration, multilingualism, problem-solving, ethics, social responsibility, and digital literacy" (NEP, 2020).

The course has been designed with the belief that learners are self-motivated and they want to integrate 21st-century skills into their teaching-learning practice as per the requirements of the 21st century. Therefore, the course content has been assigned in online mode (asynchronous and synchronous), and learners can use the course material and choose the learning activities as per their own learning style and pace.

Course outcomes

At the end of this course, the learner will be able to...
