Personal Profile: I have been serving for the field of Teacher Education from the last 16 years. Educational Psychology, Instructional System, Information Communication technology are the areas of my interest. Through my teaching I try to shape the minds of students and inspire them. Besides teaching I worked as co-researcher in three minor research projects. I have contributed for the development of Self-learning material of B.Ed. course of YCM Open University and Symbiosis Center for Distance Learning. Worked as IQAC Coordinator for Reaccreditation process from NAAC. I have published around 40 articles in reputed educational journals.

It was my observation that adolescents are experiencing stress and there is no program available in the school curriculum to manage stress, so I have developed a program for the stress management of Adolescents. Recently I have nominated as a member of BOS for the Board of Educational Technology of S.N.D.T. Women's University.

Besides academics I like to read spiritual books. Practicing Yoga, *Pranayam* and Meditation are my activities of interest.

Aim- To serve for the betterment of education filed through shaping the personalities of prospective teachers.

Vision-My vision is to develop Inspired and motivated teachers who can bring a desirable change in the school education. In the present scenario of education, we are

lacking in research it is my vision that I may be able to boost research attitude among my teachers.
