## 6. General Conditions

- 6.1 This Invitation for Bids is open to all bidders. Attempts are made to accommodate the genuine software solutions & services provider agencies based on Quality and Cost considerations. Accordingly weighting to the marks are defined in the selection criteria.
- 6.2 Selection of Bidder will be made purely on merit, past experience and reputation as per Quality-cum-Cost-Based Evaluation Method. As the work to be entrusted is of very sensitive and important nature, merely quoting lower rates will not make the Bidder eligible for selection.
- 6.3. There should be no overwriting in the bidder's offer. If required, striking out entries and writing afresh the bidder can make corrections. The initials of the bidder's authorized person and the seal of the bidder's company must verify each correction. All rates given in this tender must be expressed as Unit Price as stated in Appendix. After award of the contract, if the bidder does not perform the work satisfactorily or delays the execution of the contract, UNIVERSITY reserves the rights to cancel contract and get the balance contract executed by another party of its choice. In such case, no payment shall be remitted to the bidder and his EMD shall be forfeited.
- 6.4 **Cost of Bidding**  
The Bidder shall bear all costs associated with the preparation and submission of its bid and the University will in no case be responsible or liable for these costs.
- 6.5 The Bidder is expected to examine all instructions, forms, terms and specifications in the bidding documents. Failure to furnish all information required by the bidding documents or submission of a bid not substantially responsive to the bidding documents in every respect will be at the Bidder's risk and may result in rejection of its bid.
- 6.6 **Period of Validity of Bids**  
Bids shall remain valid for 120 days after the date of bid opening prescribed by the University. A bid valid for a shorter period shall be rejected by the University as non-responsive.
- 6.7 **Contacting the Purchaser**  
No Bidder shall contact the University on any matter relating to its bid, from the time of the bid opening to the time the Contract is awarded.
- 6.8 **University's Right to Accept Any Bid and to Reject Any or All Bids**  
The University reserves the right to accept or reject any bid and to annul the bidding process and reject all bids at any time prior to contract award, without thereby incurring any liability to the affected Bidder or Bidders.

The Option of Transfer (Handover and Takeover) of the Developed Technology is reserved with the University. The University may exercise its right to take over the Developed Technology at any stage on mutually agreeable conditions.

#### **6.9 Authorized Signatory:**

The 'Applicant' mentioned in the TENDER document shall mean the one who has signed the TENDER document form. The applicant should be the duly Authorized Representative, for which a certificate of authority should be submitted. All certificates and documents (including any clarifications sought and any subsequent correspondence) received hereby, shall, as far as possible, be furnished and signed by the Authorized Representative. All the sheets and the forms submitted by the vendor shall be signed by the person/persons duly authorized to sign on behalf of the applicants with affixing the applicant's rubber stamp.

#### **6.10 Signing of Contract**

At the same time as the University notifies the successful bidder that its bid has been accepted, the University will send the bidder the Contract Form provided in the bidding documents, incorporating all agreements between the parties. Within 15 days of receipt of the Contract Form, the successful bidder shall sign and date the Contract and return it to the University. If bidder fails to do the same, his EMD will be forfeited and next bidder will be called for agreement.

#### **6.11 Delays in the Supplier's Performance**

Delivery of the system shall be made by the Supplier in accordance with the time schedule specified by the University. If at any time during performance of the Contract, the Supplier should encounter conditions impeding timely delivery of the system components. The Supplier shall promptly notify the Purchaser in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the Supplier's notice, the University shall evaluate the situation and may, at its discretion, extend the Supplier's time for performance with or without liquidated damages, in which case the extension shall be ratified by the parties by amendment of the Contract.

6.12 The successful bidder has to train the University's designated staff for the Operation free of cost.

#### **6.13 Deliveries and Completion:**

- The bidder has to take the follow up and complete job of question bank creation well in advance before the actual commencement of the term wise summer and winter examinations.
- The job of setting up of Secure Online Question Paper Delivery System (SOQPDS) at the Examination Centers of SNDT Women's University situated in the seven states and one union territory as per the time-table / per day / per scheduled center / per course for both (morning and afternoon) sessions inclusive of translation, has to be delivered as per schedule.

(a) Approximate 12500 Question paper through E-mode delivery in Summer Exams 2025

(b) Approximate 12500 Question paper through E-mode delivery in Winter Exams 2025

## 7. Timeline, Deliverable, Payment Schedule and Help Desk

The bidder will be responsible to deliver the Question Paper as per the schedule of the work order.

- The bidder has to take the follow up and complete job of question bank creation well in advance before the actual commencement of the term wise summer and winter examinations.
  - The job of setting up of Secure Online Question Paper Delivery System (SOQPDS) at the Examination Centers of SNTD Women’s University situated in the seven states and one union territory as per the time-table / per day / per scheduled center / per course for both (morning and afternoon) sessions inclusive of translation, has to be delivered as per schedule.
- (a) Approximate 12500 Question paper through E-mode delivery in Summer Exams 2025  
 (b) Approximate 12500 Question paper through E-mode delivery in Winter Exams 2025

**Payment:** Payment will be done after each term examination after the satisfaction report of the actual downloaded question papers as per the time tables to all the respective examination centers and data transfer of same to the confidential examination unit of the Pariksha Bhavan.

## 9. Evaluation of Tender

Sr. No	Criteria / sub Criteria (A)	Basis of Valuation (B)	Maximum Marks	Bidders response W.r.t column (C)	University Revaluation	Supporting Documents (E)
1	The Desirable Turnover of the Bidder should be more than Rs. 1 Crore for any of three out of five financial years (FY 2016-17, 2017-18, 2018-19, 2019-20, 2020-21) which should be	$\leq 1$ cr = 1 Mark $>1$ cr but $\leq 3$ cr = 3 Marks $> 3$ cr = 5 Marks	5			1.1 Audited financial statement OR Certificate authorized by CA certificate indicating it

2	Years of existence of the sole bidder in Indian IT market for Creation of Question Bank, Auto generation of Question papers from the Question Bank, typesetting of Question Papers uploading of question papers and Delivery through E-mode of Question papers (Secured Online Question Paper Delivery System (SOQPDS)) to all Examination Centres	i. <b>For Sole Bidder:</b> 1 to 5 years = 3 marks  $\geq 6$ and $< 10$ yrs = 3 marks  $\geq 10$ years = 5 marks	5			2.1 Copy of Certificate of Incorporation signed by Authorized Signatory of the Bidder/ Lead Bidder.
3	Net Worth/ Liquidity of Organization / Directors/ Partners/ Proprietors/ Owner set c	$< 50$ lac = 01 mark  $\geq 50$ lac $< 2$ cr = 03 marks  $\geq 2$ cr = 05 marks	5			3.1 Certificate of Chartered Account necessary
4	Experience of working with number of Govt, Semi govt Universities in resolution & services related to Creation of Question Bank, Auto generation of Question papers from the Question Bank, typesetting of Question Papers uploading of question papers and Delivery through E-mode of Question papers (Secured Online Question	1 to 2 nos = 1 mark 2 to 4 nos = 3 marks $\geq 5$ nos = 5 marks	5			4.1 Work Order and Experience Letter/ Work Completion Certificate from the concerned institutions/ organisations

	Paper Delivery System (SOQPDS)) to all Examination Centres					
5	Number of Employees on the payroll of Bidder as on 31 <sup>st</sup> October 2024	$\geq 5$ and $< 15 = 1$ mark $\geq 15$ and $< 25 = 3$ marks $\geq 25 = 5$ marks	5			5.1 Self-attested letter on Bidder's letter head with seal and signature of authorized signatory
6	Experience in terms of years working with Govt, Semi government, Universities	1 to 2 years = 1 mark 2 to 4 years = 3 marks $\geq 5$ years = 5 marks	5			6.1 Experience Certificate from the concerned institutions/ organisations
7	Number of Government Universities in Maharashtra where similar work are provided	Only 1 University = 5 marks 2 Universities = 10 marks 3 or More than 3 = 15 marks	15			7.1 Client experience certificate and work order of the Creation of Question Bank, Auto generation of Question papers from the Question Bank, typesetting of Question Papers uploading of question papers and Delivery through E-mode of Question

						papers (Secured Online Question Paper Delivery System (SOQPDS)) to all Examination Centres
8.	Number of Academic Cycles for which similar work are provided to the Government Universities.	<p>Minimum 4 cycles = 15 marks</p> <p>Minimum 3 cycles = 10 marks</p> <p>Minimum 2 cycles = 5 marks</p>	15			8.1 Client experience certificate of Creation of Question Bank, Auto generation of Question papers from the Question Bank, typesetting of Question Papers uploading of question papers and Delivery through E-mode of Question papers (SOQPDS) to all Examination Centres
9.	Certificates	<p>CMMi level Certificate = 2 marks</p> <p>CERT – IN certificate for IT security = 1.5 marks</p> <p>ISO 27001 Certificate = 1.5 marks</p>	5			9.1 Copy of Certificates. (Preferably)

10	Working Office	(a) Mumbai Office = 5 marks (b) Maharashtra Office = 3 marks (c) Out of Maharashtra Office = 2 marks	5			10.1 Authorised Proof of Office Address
	Grand Total		70			

## 10. Other Terms

### 1. Cancellation of Contract:

In case of any breach of any terms and conditions by the successful bidder / contractor, UNIVERSITY reserves the right to cancel the agreement by giving 7 days notice to the Bidder.

### 2. Liquidated Damages

If the Supplier fails to deliver any or all of the Goods or to perform the Services within the period(s) specified in the Contract, the University shall, without prejudice to its other remedies under the Contract, deduct from the Contract Price, as liquidated damages, a sum equivalent to 0.5% per week of the value of undelivered price of the Goods or unperformed Services limited to 05% of value of services requisitioned. Once the maximum is reached, the University may consider termination of the Contract.

### 3. Termination for Default

The University may, without prejudice to any other remedy for breach of contract, by written notice of default sent to the Supplier, terminate the Contract in whole or part at risk & cost of defaulting Supplier:

- a. If the Supplier fails to deliver any or all of the Goods within the period(s) specified in the Contract, or within any extension thereof granted by the University, or
- b. If the Supplier fails to perform any other obligation(s) under the Contract, or
- c. If the Supplier, in the judgment of the University has engaged in corrupt or fraudulent practices in competing for or in executing the Contract.
- d. The Data created / generated in the systems is sole property of the university.  
If the bidder misused the data, the bidder will be liable for additional 10% penalty..

### For the purpose of this Clause:

**"Corrupt practice"** means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution.

4. **Maintenance:** The supplier will accomplish preventive and breakdown maintenance activities to ensure that all Software/hardware/Unit execute without defect or interruption. If any critical component of the entire configuration is out of service for more than three days, the Supplier shall either immediately replace the defective unit or replace it at its own cost. The

Supplier will respond and commence support within 48 hours of being notified of equipment malfunction.

5. Tenders received late, incomplete tenders and tenders not in conformity with our prescribed specifications, terms and conditions will be rejected. UNIVERSITY will not be responsible for postal delay, non-receipt / non-delivery of tender documents or loss of documents in transit.
6. Notwithstanding anything contained in the memorandum and/or articles of association of the party the Court situated at Mumbai will have the jurisdiction to deal and decide any matter arising out of the order.

I/We have read all the enclosed Terms and Conditions carefully and ready to accept and according to that I/We are submitting herewith the tender.

## **11. Selection Method**

- 11.1 UNIVERSITY shall publish tender through an e-tendering site
- 11.2 The interested vendors may carry out the study of the requirements at their own cost, based on the Terms of Reference (TOR) of UNIVERSITY.
- 11.3 The interested vendor shall submit a detailed Technical and Financial Proposal as per the tender document.
- 11.4 The technical proposals submitted by the vendor shall be evaluated by a Technical Evaluation Committee.
- 11.5 The short listed vendors will be required to provide detailed demonstration of similar types of works undertaken by them earlier, on specified date as will be decided by the University.
- 11.6 The financial proposal of the short-listed vendors will be evaluated by the Evaluation Committee formed by the authority of the UNIVERSITY.
- 11.7 In the event of any dispute or differences in connection with the tender the same will be subject to an arbitration of Vice-Chancellor of University and the same will be Governed by the provision of Arbitration act 1940 in Mumbai.

### **Introduction:**

**SNDT Women's University, Mumbai** is having its territorial limits covering Entire India with Approximately 300 Affiliated Colleges /Conducted Colleges / Autonomous College/ Departments / Institutes/ Centres/ Schools/ Centre for Distance Education.

The University has contributed in many ways for economic, social and cultural uplifting of the society and tribal section in particular by offering quality education and administering academic activities.

The Registrar, **SNDT Women's University, Mumbai** invites Request For Proposal (RFP) by virtue of e-tendering process at <https://mahatenders.gov.in> from reputed Companies providing Solutions and Services with proven experience in Creation of Question Bank, Auto generated Question paper from

the Question Bank and Delivery of E-mode Question paper to all Examination Centers as mentioned here under and more specifically in financial bid.

## 12. Brief Introduction and Scope of Work

The proposal should cater the following activities and should cover all the necessary process automation methods as mentioned below.

<b>Brief Introduction:</b>
<b>Creation of Question Bank, Auto generation of Question papers from the Question Bank, typesetting of Question Papers uploading of question papers and Delivery through E-mode of Question papers (Secured Online Question Paper Delivery System (SOQPDS)) to all Examination Centres for <u>Summer Examinations 2025 to Winter Examinations 2025</u>.</b>
<ul style="list-style-type: none"><li>➤ Quotation for preparation and execution of Question Bank system with Typesetting, Auto generation of Question papers from the Question Bank, typesetting of Question Papers uploading of question papers and Delivery through E-mode of Question papers (Secured Online Question Paper Delivery System (SOQPDS)) to all Examination Centres for <u>Summer Examinations 2025 to Winter Examinations 2025</u> as per the time-table / per day / per scheduled centre / per course for both (morning and afternoon) sessions.</li><li>➤ Course details, paper details, Time-tables, scheduled centres will be provided by the Pariksha Bhavan for every examination event.</li><li>➤ The total cost will include Creation of Question Bank with Typesetting, Auto generation of Question papers from the Question Bank, typesetting of Question Papers uploading of question papers and Delivery through E-mode of Question papers (Secured Online Question Paper Delivery System (SOQPDS)) to all Examination Centres. The payment will be done according to the time-table, per day / per course/ per paper/ per scheduled centre for both (morning and afternoon) sessions as per actual download.</li></ul>
<b>Scope of Work:</b>
Following will be the scope of the work in detail.
The proposed system will have modules like <ul style="list-style-type: none"><li>A. Users and Roles Management</li><li>B. Master data management</li><li>C. Question Bank Creation in required languages.</li><li>D. Generation of Question Papers from Question Bank</li><li>E. Typesetting of Question Paper was created by question bank Proof reading, translation if any.</li><li>F. Question Paper Upload</li><li>G. e-mode transfer of Question Papers (RPD)</li><li>H. Dashboard</li><li>I. Backup and restore facilities</li></ul>

## **A. Users and Roles Management**

A (m). As per the requirement, the system should be able to create and handle the number of users (logins) simultaneously.

- a. Different roles like admin (DBoEE, DR, AR), Contents Manager (Confidential unit staff), Chief papers setters, Paper setters, Moderators, Translators are required to handle the system.
- b. The software should provide unique OTP based user authentication facilities.
- c. For every event, Pariksha Bhavan will upload/update details of Chief paper setters, Paper setters, Moderators and Translators for every Course /Paper /Medium as per the selection committees' (BOS) appointments (panels).
- d. The letters/emails/SMS will be sent to these Chief paper setters, Paper setters, moderators and translators through system.
- e. The system will receive acceptance/regret from these members.
- f. The login credentials will be created for the panel members who have accepted the assigned role.
- g. Through these login credentials paper setters should be able upload questions to question bank, upload papers, moderate papers, translate papers etc as per the duties assigned to them.
- h. Based on regrets received, the Pariksha Bhavan staff should be able to upload details of other Chief paper setters, Paper setters, moderators and translators for a particular paper.
- i. The system should ensure to hide identity of Chief paper setters, Paper setters, moderators and translators.
- j. The system should reduce manual interference in the system.
- k. System provided to the exam centres should be menu driven and user-friendly.
- l. The system should be able to carry the data uploaded in earlier events to further events as per the need.

## **B. Master Data management**

- a. Uploading/Updating details of all courses/patterns/papers/mediums in the system for every event.
- b. Uploading/Updating time table for all courses/patterns/papers for every event
- c. Uploading/Updating scheduled centres for each course for every event
- d. Uploading/Updating Chief Paper setter/Paper setters/Moderators/Translators for each course/pattern/paper for every event
- e. The system should be able to carry the data uploaded in earlier events to further events as per the need.

## **C. Question Bank Creation**

### ➤ **Questions Creation**

- a. Typesetting (DTP) of questions with answer key
- b. Defining attributes of every question like
  - i. Main question/sub question
  - ii. Topic/subtopic
  - iii. Question type
  - iv. Difficulty level
- c. Identifying duplicate questions
- d. The Bidder has to do Typesetting of questions and answer keys, defining attributes, identifying duplicate questions based on the contents provided by the Pariksha Bhavan.

### ➤ **Moderation of questions**

- a. After type-setting & primary proof reading, a proof will be submitted to the respective chief paper setter/moderator for moderation of the questions.
- b. After moderation, validation and approval the questions will be included in the database to form a question paper bank of the particular subject. This will be the final question bank after which no corrections are done.

### ➤ **The Software should be able to**

- a. Collect, arrange and administrate innumerable questions.
- b. Do the type-setting of question in any language using Unicode fonts
- c. Support languages like English, Marathi, Hindi, Gujrati, Urdu.
- d. Support Special characters, tables, pictures, graphs, symbols, mathematical equations, chemistry formulas, images, accounting tables etc.
- e. Include single option, multiple options, comprehensive-type questions, subjective questions etc (all types of questions)
- f. Store the questions in database along with their answer keys and various attributes.
- g. Re-use the question bank created for earlier events and other course with similar contents

## **D. Generation of Question Paper from Question Bank**

### ➤ **Question Paper Format/Template (blue print)**

- a. Define Exam Name, Subject, Pattern, Languages, title, total number of questions, and marks
- b. Define number of sets of question papers
- c. Define number of shuffle copies of question papers
- d. Define Repetition criteria from earlier events

- e. Define instructions of that question paper
- f. Define various question types for each topic & sub-topic based on the syllabus of the question paper along with the difficulty level of the question.

➤ **Question Paper Generation**

- a. Software will generate question papers as per the template (blue print) provided for the course, on basis of attributes like weightage of topics/sub-topics, question type, difficulty level
- b. can generate shuffle copies of particular papers
- c. having provision of re-generate & finalized the question papers

➤ **The Software should be able to**

- a. Create question papers as per choice and difficulty level.
- b. select questions randomly.
- c. Intelligently generate questions automatically.
- d. Handle no repetition of question (as per university policy).
- e. Eliminate burden of making question paper every exam.
- f. Generate question papers with great ease and accuracy in less time.
- g. Keep record of generated question papers through logs.
- h. Store generated papers as .pdf files in the system in 256 bit encryption or industry norm which is higher than 256 bit encryption.
- i. Provide well-arranged syllabus in modules/units/chapters/topic etc.
- j. integrate new features easily as per requirement

**E. Typesetting and Proofreading of question papers where manual script are provided Translation proof reading if required**

**F. Question Paper Upload**

- a. There should be provision for the University to upload the Question papers in the system.
- b. The question papers will be uploaded by the paper setters and chief paper setters for the course/pattern/paper assigned to them.
- c. Uploaded question papers will be moderated by the respective chief paper setter.
- d. The chief paper setters/Paper setters/Translators/moderators should have appropriate login credentials to access and update the course /pattern /paper assigned to them.
- e. The chief paper setters/Paper setters/Translators/moderators should not be able to view or update the course /pattern /paper not assigned to them.
- f. Translators should have appropriate login credentials to upload the translated paper in the system
- g. The system should have appropriate screens to upload /moderate /translate /approve the papers.

- h. The system should maintain the log for all these activities.
- i. The system should be able to re-use the papers uploaded for earlier events for particular Course/Pattern/Paper.

**G. e-mode transfer of Question Papers**

1. The Bidder should handle all the logistics and distribution of question paper through e-mode transfer.
2. The Bidder should check / study the IT infrastructure and readiness of each and every centre free of cost and should visit every centre for a demo or training through online.
3. The rates, shall be final and no escalation will be admissible, under any circumstances.
4. The Bidder should ensure that a complete and comprehensive mock test is carried out two days before the exam in the presence of the principal and examination coordinators of the centre to identify the problems in real-time execution.
5. The Bidder shall deliver the question paper by e-mode transfer to only to those examination centres where the concerned University examinations is being held and the list of examination centre thereof is being provided by the Director, Board of Examinations and Evaluation before the commencement of the concerned examination.
6. The Bidder should do safe E-Delivery of question papers with watermarking technology
7. The bidder should upload Question paper with Secured Domain name and has portal software.
8. Respective exam centres' watermark should be embedded on every page of the downloaded question paper automatically.
9. The Bidder should assure that the demonstration, onsite training, and support for the centre's principal and examination coordinator for downloading question papers and other technical aspects are done.
10. The Question paper can be published to various centres through Question Paper Delivery Software after the approval by Dean / DOBEE.
11. The Bidder should assure that the Question Paper should be password protected. The 'encryption of PDF files' activity should be done by the Bidder as per the directives and send SMS to all the centres.
12. The Bidder should ensure that Question papers should be seamlessly downloaded in 256 bit encrypted form at the respective exam centre in a simplistic and secure way.
13. The Bidder should confirm/ensure the downloading/printing of question papers by the examination centres in time.
14. The exam centre needs to be provided the list to view the Question papers to be downloaded on a particular exam session & date.
15. The Question papers downloaded should be decrypted through a secure key i.e., day password and based on the requirement printing of Question papers has to be done at exam centres.

16. The Bidder should give Log Data of all examinations, Programmes, subjects, sessions, etc. to Examination Section with details about login, downloading time, name of the person, date, time, IP address, etc. for all the users; which will be useful and shall be preserved as official documents with feedback from examination centres. This log data is used for examination audit purposes and question bank.
17. The Bidder should monitor each centre to ensure a smooth transfer, guidance and telephonic support 24\*7.
18. The Bidder should set up a call centre to handle various queries regarding downloading question papers. The call centre should work 24\*7 with designated E-mail to the University.
19. The Bidder should maintain secrecy and also maintains a necessary record of downloading question papers, and provides services for Secured Delivery of question papers to all exam centres.
20. Penalty up to 10% of the contract value shall be levied for the delay in supply of the material or deficiency in the service, as per the rules prescribed in the Maharashtra Public Universities Act, 2016 and the Maharashtra University Accounts Code, 2012 or the agreement and work contract will be terminated if issues and problems are not resolved mutually consent.
21. The University shall have right to schedule the visits of its officials to the site where the assigned work is carried out by the Bidder.
22. The Bidder shall adhere with all seriousness to the time schedule provided by the S.N.D.T. Women's University, Mumbai.
23. Taxes should be applicable as per the rules.
24. The Contract period will be extended upto 5 years and that has to signed by the Bidder who will get the work order as per the Decision of the Tender Committee for the Creation of Question Bank, Auto generation of Question papers from the Question Bank, typesetting of Question Papers uploading of question papers and Delivery of E-mode Question paper to all Examination Centres.
25. All the activities related to e-mode transfer of question papers must be done from the designated premises of the University.

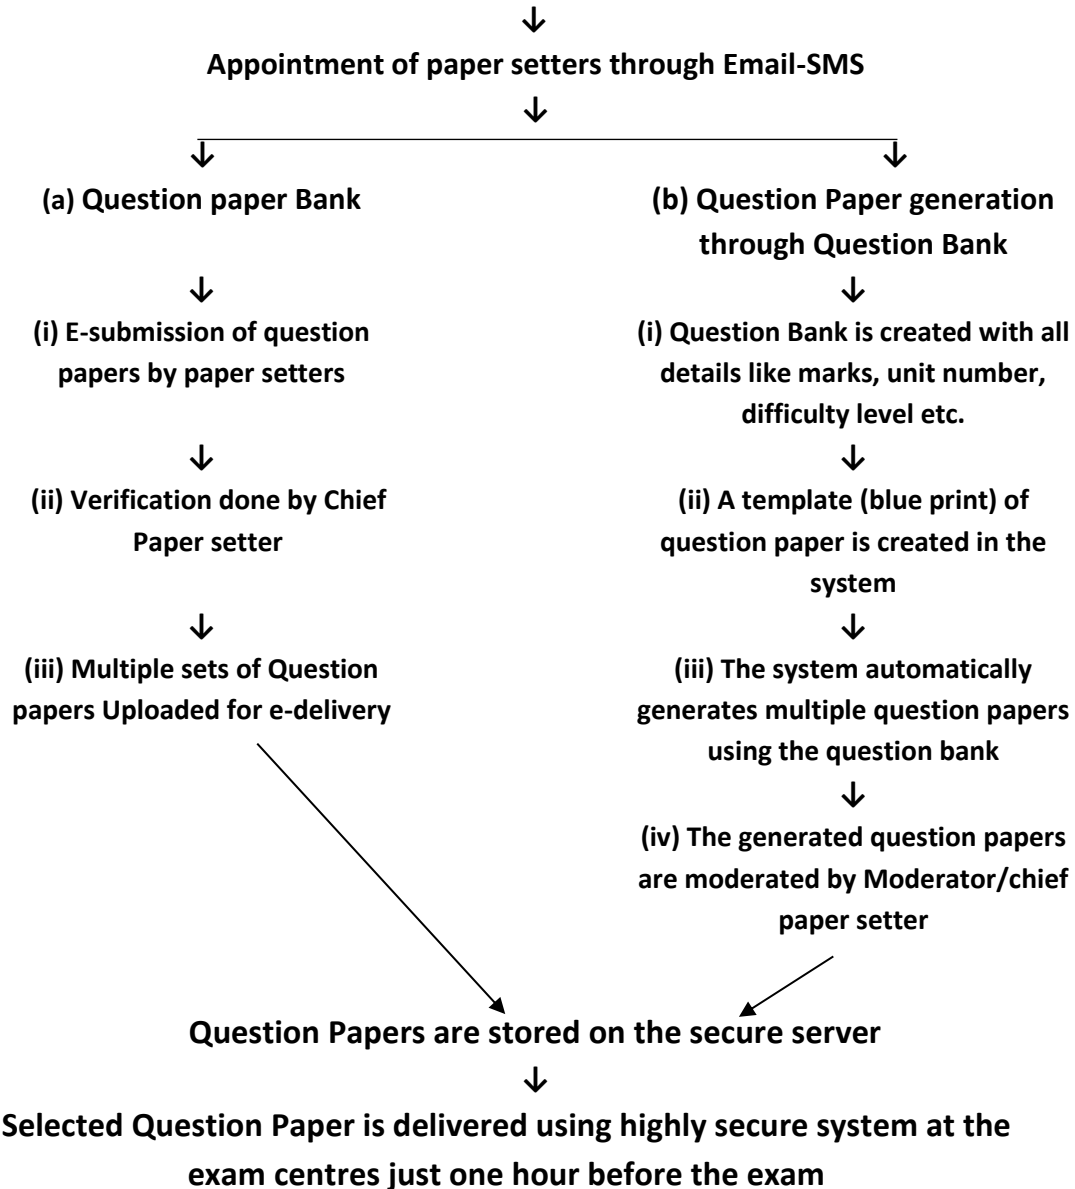

#### **H. Dashboard**

- a. The bidder should provide web application to monitor, from the control centre at Pariksha Bhavan, SNDT Women's University, for the duration examinations are held, for the pre-examination, during examination and post-examination activities for all the centres in India.
- b. The University needs to have a dashboard view the list of the exam centres where the Question papers was downloaded, time of download, centres where the Question papers has not been downloaded etc. The entire records/log of the Question papers download activities needs to be captured.

#### **I. Backup and Restore facilities**

- a. Timely Database backup and restore backup facilities should be provided in the system.

### Question Paper Management

#### ❖ Security/Secrecy:-

- To ensure data security at highest.
- Question papers should be highly secure and within the control of the University's authorized officials. This should be accessible only to authorized personnel through authorized systems as per the University role based workflow.
- 256 bit encryption or industry norm which is higher than 256 bit encryption, should be used while Question paper is being uploaded and for Question paper storage and transfer and when it is downloaded at the respective examination centre.

- Entire content/material supplied by the University has to be encrypted with at least 256-bit encryption system.
- Question papers should only be able to decrypted using two-layer security i.e., both public and private keys for additional security.
- Dynamic water mark of respective exam centre code should be printed on Question papers downloaded to identify the exam centre that has downloaded the Question papers.
- The successful bidder should provide with specifications for devices and systems to be used for authentication, hardware and software required at all stages for Central server and Exam Centres.
- The successful bidder should demonstrate the secured software set-up for completing Question Paper transmission.

❖ **Trouble Shooting & Handholding:-**

The bidder should be able to provide year round client support system in terms of physical as well as through remote access (telephone/mail/chat/virtual or remote connectivity) to resolve any issues faced by exam centres/University with regards to online question paper delivery system. The service provider should maintain two independent and dedicated servers; one as primary and Second as a backup. Both servers should be SSL certified with minimum 2048 Bit encryption. If primary server goes down, the system should automatically shift to the backup server. The bidder should have capabilities of preventing any hacking and malpractices in the Secured Online Question Paper Delivery System (SOQPDS). The successful bidder should have live investigation techniques to curb any types of threat revolving around the cyber world.

**Other Conditions –**

- (A) The proposed software should be preferably Govt. of India compliant CERT – IN certified for IT security **or** a valid CMMi level Certificate.
- (B) The bidder must be clear about the proposed system with Technical Architecture; Mandatory and Optional Modules; Module Integrations and Report Generation etc.
- (C) Online and onsite support shall be given to examination centres by the Bidder.
- (D) The typesetting and proof correction work of question-papers shall be carried out as far as possible at the Pariksha Bhavan, Santacruz (West), Juhu Campus, Mumbai 400 049 and as per the directives of the Director, Board of Examinations and Evaluation.
- (E) The charges, if any, for software, computer, data cards / instruments, arrangement for electricity (UPS & Generator ETC) Photocopier, printer, if any, shall be borne by the Bidder.
- (F) The time management and examinations schedule shall be strictly followed
- (G) After the examinations are over, the Bidder should deliver all the questions paper which are published in the examination as per course wise, semester wise, subject wise for the office records to be preserved.

(H) Letter of acceptance of terms and conditions of the work to be given by Bidder to the undersigned.

(I) **Security Deposit** - Separate Bid Security Declaration Form duly signed by the authorized signatory of the bidder has to be submitted along with the Technical Bid and successful bidder has to deposit **@2% cost of the agreement at the time of receiving the work order.**

(J) **Taxes** - The rate must be inclusive of all charges. Taxes are to be mentioned clearly in the quotation.

(K) **Payment:** Payment will be done after each term examination after the satisfaction report and data transfer to the confidential examination unit of the Pariksha Bhavan. No advance will be paid. TDS will be deducted as per rules.

(L) **Penalty:** Penalty up to 10% of the contract value shall be levied for the delay in supply of the material or deficiency in the service, as per the rules prescribed in the Maharashtra Public Universities Act, 2016 and the Maharashtra University Accounts Code, 2012 or the agreement and work contract will be terminated if issues and problems are not resolved mutually consent.

(M) **Validity:** The rate validity will be upto 120 days from the date of submission deadline.

**(N) Fraud And Corrupt Practices:**

“Fraudulent practice” means misrepresentation of facts in order to influence a procurement process or execution of a contract, to the detriment of the purchaser and includes collusive practices among tenderers designed to establish tender prices at artificial non-competitive levels to deprive the purchaser of the benefits of free and open competition

- The Applicants and their respective officers, employees, agents and advisers shall observe the highest standard of ethics during the Bidding Process. Notwithstanding anything to the contrary contained herein, the Authority may reject an Application without being liable in any manner whatsoever to the Applicant if it determines that the Applicant has, directly or indirectly or through an agent, engaged in corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice in the Bidding Process.
- Without prejudice to the rights of the Authority under relevant Clause hereinabove, if an Applicant is found by the Authority to have directly or indirectly or through an agent, engaged or indulged in any corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice during the Bidding Process, such Applicant shall not be eligible to participate in any tender or RFQ issued by the Authority during a period of 2 (two) years from the date such Applicant is found by the Authority to have directly or indirectly or through an agent, engaged or indulged in any corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice, as the case may be.

- For the purposes of this Clause, the following terms shall have the meaning hereinafter respectively assigned to them:
- ❖ “corrupt practice” means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence the actions of any person connected with the Bidding Process (for avoidance of doubt, offering of employment to, or employing, or engaging in any manner whatsoever, directly or indirectly, any official of the Authority who is or has been associated in any manner, directly or indirectly, with the Bidding Process or the LOA or has dealt with matters concerning the Concession Agreement or arising there from, before or after the execution thereof, at any time prior to the expiry of one year from the date such official resigns or retires from or otherwise ceases to be in the service of the Authority, shall be deemed to constitute influencing the actions of a person connected with the Bidding Process);  
or  
save and except as permitted under the relevant sub clause, engaging in any manner whatsoever, whether during the Bidding Process or after the issue of the LOA or after the execution of the Concession Agreement, as the case may be, any person in respect of any matter relating to the Project or the LOA or the Concession Agreement, who at any time has been or is a legal, financial or technical adviser of the Authority in relation to any matter concerning the Project;
- ❖ “fraudulent practice” means a misrepresentation or omission of facts or suppression of facts or disclosure of incomplete facts, in order to influence the Bidding Process;
- ❖ “coercive practice” means impairing or harming or threatening to impair or harm, directly or indirectly, any person or property to influence any persons participation or action in the Bidding Process;
- ❖ “undesirable practice” means (i) establishing contact with any person connected with or employed or engaged by the Authority with the objective of canvassing, lobbying or in any manner influencing or attempting to influence the Bidding Process; or (ii) having a Conflict of Interest; and
- ❖ “Restrictive practice” means forming a cartel or arriving at any understanding or arrangement among Applicants with the objective of restricting or manipulating a full and fair competition in the Bidding Process.
- ❖ If the Employer/Financier determines that the Vendor has engaged in corrupt, fraudulent, collusive, coercive or obstructive practices, in competing for or in executing the Contract, then the Employer may, after giving 14 days’ notice to the Vendor, terminate the Vendor's employment under the Contract and expel him from the Site, and the provisions of relevant Clause shall apply as if such expulsion had been made.
- ❖ Should any employee of the Vendor be determined to have engaged in corrupt, fraudulent, collusive, coercive, or obstructive practice during the execution of the Works, then that

employee shall be removed in accordance with relevant Clause. For the purposes of this Sub-Clause:

- ❖ “corrupt practice” is the offering, giving, receiving to soliciting, directly or indirectly, of anything of value to influence improperly the actions of another party;
- ❖ “another party” refers to a public official acting in relation to the procurement process or contract execution. In this context, “public official” includes Financer staff and employees of other organizations taking or reviewing procurement decisions
- ❖ “fraudulent practice” is any act or omission, including a misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a party to obtain a financial or other benefit or to avoid an obligation;
- ❖ “collusive practice” is an arrangement between two or more parties designed to achieve an improper purpose, including to influence improperly the actions of another party;
- ❖ “coercive practice” is impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of the party to influence improperly the actions of a party;
- ❖ “obstructive practice” is deliberately destroying, falsifying, altering or concealing of evidence material to the investigation or making false statements to investigators in order to materially impede the Financier investigation into allegations of a corrupt, fraudulent, coercive or collusive practice; and/or threatening, harassing or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation; or
- ❖ acts intended to materially impede the exercise of the Financer’s inspection and audit rights provided.
- ❖ “party” refers to a public official; the terms “benefit” and “obligation” relate to the procurement process or contract execution; and the “act or omission” is intended to influence the procurement process or contract execution.
- ❖ “parties” refers to participants in the procurement process (including public officials) attempting to establish bid prices at artificial, non-competitive levels.
- ❖ a “party” refers to a participant in the procurement process or contract execution.

- (O) **Repeat Order:** Repeat orders may be placed against a previous order recently placed, but in any case not later than six months after the initial order was place provided
- a) Repeat order can be given only once and with a value and quantity not more than 50 percent of initial order; or Rs. Ten Crore or whichever is less can be purchased
  - b) Repeat order should not be placed if the original order was placed to cover an urgent demand;
  - c) Repeat order can only be placed after the delivery of the subject matter of procurement from the original order has been completed;

- d) Repeat order may be placed in year of procurement of subject matter or in the subsequent financial year. However, the repeat order should be given within six months of the original purchase order.
  - e) The quality of the material to be procure through repeat order should not be inferior than the original order quantity;
  - f) The officers concerned are satisfied that there has been no downward trend in the prices or that the rates are either steady or are standardized. Such a certification along with the necessary documents needs to submitted to the tender /purchase committee;
  - g) Proposal for repeat order in case of deviations from the guiding principles given above should be submitted to the respective purchase committee for final decision, with special justification for resorting to such purchase. The unit value used for the repeat order is not be more than the original unit value.
  - h) All repeat order proposals needs to be approved by tender / purchase committee.
  - i) The original tender should have a clause about repeat order specifying the possible quantities in percentage that could be ordered by the department; and
  - j) In case procurement department is aware of the procurement of the subject matter of same specification made by the other department then the procuring department may procure from the same supplier, provided the procurement is of a quantity less that of the other department and procuring department orders would be placed within six months after the initial order was placed. It is also necessary that such a purchase is brought to the notice of the other department.
- (P) **Office Visit, Checking of Computer, Server Machine and any other related Equipments** will be checked any time during the contract period.
- (Q) **If there is any changes in the Taxation Policy from the Government then the cost of the tender has to be reduced after the contract has been allotted.**

### **14. Right to Termination & Exit**

Either parties may exit the Contract by serving the other party a notice of not less than six months without giving any reason whatsoever.

The Contract can be terminated by either party giving the other party, a prior written notice of not less than six months of its intention to do so but without dishonouring any commitment entered into prior to the date of termination notice and no party shall leave its commitment unfinished which may result in tangible losses to the other party.

The Contract may also stand terminated for any reasons such as legal processes between UNIVERSITY & Successful Agency, acts of the State or similar such exigencies beyond the normal control of the party concerned and which disable any of the parties hereto from functioning further.

The Contract may be terminated by both parties by mutual consent.

Both the parties shall honour commitments made prior to the date of notice, complete the ongoing work to avoid major inconveniences or serious dislocations of the work of either party and shall settle any outstanding dues without recourse to compelling action, upon such termination.

Despite termination, the parties shall abide by the usual professional ethics and normal code of conduct to maintain the confidentiality of the information and intellectual property rights.

### **15. Intellectual Property Rights**

The bidder shall explicitly and exclusively develop / customize / amend the software and/or its versions required for rendering the said software solution & services with and shall be transferring the technology by hosting on Web server. During the phase of Build and operations as such, the software code, whether compiled or un-compiled, in printed or electronic format, with software design logic including Database & Schema Design, graphical user interfaces (GUI) and their design, look and feel, are explicitly Intellectual Property of the Agency including the ownership at any given stage of Development / Customization/Implementation before the stage transfer of technology is achieved.

Once the stage of optional Takeover/Handover/Transfer of Developed Technology including Source Code / Web platform / framework / databases is achieved and all the invoices are received by the Agency the ownership shall be exclusively with University and it shall be treated as the property of the University.

Each party hereby undertakes to inform the other party of any violation of Intellectual Property Rights and General Rights or its unlawful use, under prevalent laws of the land.

The data as received and generated in the Developed /Customized Applications and the content in any form shall be the property of the University and the bidder shall have right of access thereto only to the extent of and for performing its responsibilities. If any application/s for information is received by the Agency under The Right To Information Act regarding any of the said matters then, only University shall be responsible for replying since the property rights of the data and information are held by the University.

Further, each of the party herein, agrees to co-operate with the other to the extent possible in the process of investigating such cases of any violation of Intellectual Property Rights and General Rights or its unlawful use and taking legal action against the said infringement.

## **16. Confidentiality of Data**

The Data generated through the process of implementation / usage will strictly be kept confidential and will not be shared with any outside agency.

## **17. Technical & Security Audit Issues**

### **Technical Requirements:**

The successful bidder shall be responsible to adhere to all the technical requirements as mentioned in this section below.

- a. The Solution should be web-based application having centralized database and application server.
- b. The Solution should be compatible and be able to be integrated with various Open Source Standards and Technologies.
